STANISCRUISE

*Get your move on!*

# *A start of a great relationship. You and StanisCruise.*

**A one-stop resource for commuting options and getting around in Stanislaus County.**

Whether you want to join a carpool or vanpool—or explore clean travel options like transit, walking or biking—we've got you covered. Wherever you're going, we can help you get there—all while saving you money and improving air quality.

## **More perks**

- Tips and financial incentives
- Keep more of your hard-earned money
- De-stress your daily commute
- Improve air quality in our community

*Join the  
cool crew.*

# *Ride together, Save together.*

An arrangement where commuters (typically 7-15 people) travel together in a van.

Vanpools are a great option for people with a consistent work schedule and who live more than 20 miles away from work. Someone else does the driving, so you can chat, sleep, read or catch up on your favorite podcasts.

## More perks

- Drivers qualify for a \$550 monthly subsidy
- Use the HOV lanes and cut commute times dramatically
- Employer perks and incentives

**A FULL  
VANPOOL  
CAN LEAVE  
UP TO  
14 CARS

stress-free commute.*

*Share the ride,  
take the stress out  
of your commute.*

**Carpooling Means More People In A Single Car,  
Which Means Fewer Cars On The Road.**

It also saves you money on gas, lower car costs  
(like maintenance), and saves you time.

**More perks**

- Cut your commute cost
- Reduce traffic congestion
- Meet new people

BIKING &  
WALKING

*Freedom,  
fitness and fun.*

# *Your commuting mode also doubles as a fitness machine.*

Use your bike's two wheels (or your own two feet!) to get to work—and have more fun getting around.

Biking and walking are fun ways to avoid a car commute altogether. Both options are good for your health, great for your wallet and awesome for our planet (by getting cars off the road). You'll also get in your workout (without a gym membership) and release endorphins that help your mind and body feel great.

## More perks

- Free transportation (your own muscles)
- Avoid parking fees
- Reduce time at the gym

BUS & TRAIN

*Take a ride  
on the easy side*

# *Safe, convenient and save money.*

By taking a bus or train, you can avoid traffic altogether and leave the driving to someone else.

Buses and trains are predictable, comfortable, fuel-efficient and environmentally friendly. They're also super affordable as an alternative to driving. What's more, they reduce car emissions (making our air cleaner!), save natural resources by reducing fuel consumption, and reduce fatalities due to road accidents.

## More perks

- Safe journeys—plus wifi
- Reduce traffic density
- Catch-up on your sleep, connect with friends via social media

# TELECOMMUTE

*Enjoy the world's  
shortest commute!*

*Get work done without ever leaving home.*

**Businesses everywhere are changing how they work.**

That means many people work from the comfort of their own homes—either full time (telecommuting) or part time (with a hybrid or flex schedule). By working from home, you can help keep cars off the highways and reduce their impact on the environment.

**More perks**

- More freedom and flexibility
- Save money and avoid traffic
- Contribute to healthier environment

EMERGENCY

ROAD HOME

*Peace of mind*

*Life happens, we've got you covered.*

If you walk, bike, bus, train, carpool or vanpool to work, you're eligible for a free, emergency ride home in case of a family emergency or if you're asked to work late.

An emergency ride home program offers "peace of mind" that you can get home in case of a child's illness or unforeseen overtime. StanisCruise picks up the tab for your rental car, taxi, uber or lyft home (for an eligible reason).

#### More perks

- Never be stranded at work
- Destination flexibility
- Easy online reimbursement process

PARKRIDE

*Easy connections*

# *One spot for like-minded commuters.*

Park and ride lots are free places to park your car and hop on another form of travel to your workplace (like carpool or vanpool).

Park and ride facilities allow you to avoid a stressful long drive and eliminate the cost of expensive urban parking. They are a great option for people who have a long commute, don't live near transit stop, or need a convenient place to meet their vanpool or carpool.

## More perks

- Split your commute
- Enjoy flexibility after work
- Safe, anonymous meeting place
